

Notice to Recipients of Ministerial Permits

The Town's issuance of this permit is a ministerial act. The Town Yucca Valley bases permit issuance on compliance with the Town's Code. The Town does not withhold ministerial permit issuance for other agency permits or approvals. Other Federal, State, and/or Local agencies may have an interest in your project and may require permits or authorizations before you begin your project. Issuance of this Town permit does not authorize violation of Federal or State law, and does not excuse any requirement to obtain other required permits or authorizations before beginning the project. It is the permit recipient's responsibility to obtain any necessary permits or authorizations from Federal, State, and/or Local agencies.

The Town of Yucca Valley is not a clearinghouse for these Federal, State, or Local agencies. Under the California and Federal Endangered Species Acts, the "take" of listed species without a permit is prohibited. A qualified professional biologist can assist you to determine if your project may result in "take" of a listed species. Examples of Federal and/or State threatened and endangered species found in locations in the Town of Yucca Valley include Desert Tortoise, Western Yellow-Billed Cuckoo, Least Bell's Vireo, Western Joshua Tree, Triple-Ribbed Milk-Vetch, and Parish's Daisy. Questions about State and Federal listed species, and related procedures and potential permit requirements, should be directed to:

- California Department of Fish and Wildlife, Ontario, 909.484.0167
- U.S. Fish and Wildlife Service, Sacramento, 916.414.6464

Maps of critical habitat designated by the U.S. Fish and Wildlife Service can be obtained at the U.S. Fish and Wildlife website: [Critical Habitat | U.S. Fish & Wildlife Service \(fws.gov\)](https://www.fws.gov/critical-habitat)

It is the permit recipient's responsibility to determine whether and to what extent your project will require permits or authorizations from other agencies, including from the agencies identified above.
